Full-Stack Web Developer with 5+ years of experience in Frontend & Backend Development, debugging and training staff with web technologies. Proven ability to work in a collaborative environment and self-learning while staying focused on achieving high-quality results. Excited to pursue full-time positions with challenging roles to widen my technical proficiency and skills.

WORK EXPERIENCE

Angular Developer
Growel Softech Ltd ↗

09/2020 - 07/2023   *Mumbai, India*

- RBC MyAdvisor 2.0: Frontend migration project for a web portal from Angular 1.0 to Angular 8. Designed and developed profile component for user account updating, viewing and deactivating.
- RBC Sponsor Portal: Programmed frontend interfaces for managing all the client's sponsors details with reports, charts and data tables using Angular 9.

Senior Software Engineer
Viacom18 Media Pvt. Ltd. ↗

01/2019 - 09/2020   *Mumbai, India*

- Knowledge Management Portal: Developed a web-based portal for the internal legal team for data gathering and retrieval using Angular 7, Node.JS, MongoDB.
- Customer Invoice Portal: Structured several internal systems for fetching the list of invoices of vendors and displaying them on the website using Angular 7, Node.JS and MongoDB.
- Vendor Portal: Developed web tool for onboarding of vendors onto Viacom18 SAP system using Angular 8, Node.JS, MongoDB.
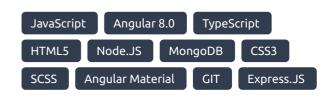

Senior Software Engineer
Capgemini Technology Services Ind. Pvt. Ltd. ↗

09/2016 - 01/2019   *Mumbai, India*

- Maturity Monitoring Tool: Developed & deployed a portal for DevOps Maturity Monitoring using Node.js & MongoDB on AWS EC2 instance including various JavaScript libraries like Amcharts, Google charts, D3.js charts etc.
- Legacy metrics dashboard: Created a fully customized dashboard showing high-level details of dependencies & critical metrics in the legacy application for 3 fortune 500 clients using Angular 5, Node.js & MongoDB.
- Capgemini technology events: Created Tech-fiesta '18, Hackathon '18, TechTalk '18 & I-Sprint portals for handling Capgemini's annual events for 4 different locations in India.
